From K. Chandy Esq BA

Secretary to the Government of His
Highness the Maharaja of Mysore
Huzur Department

Sir,

I have the honor to state that the Amildar of the Kunigal Taluk in his Ittilla no 617, dated 24th January 1908, reported that on the 23d of November 1907 when the archik of the Sri Venugopalaswamy's temple at Huliyurdurga in the Kunigal Taluk went to the temple to offer worship, the Ammanavaru idol there was found to have been mutilated, that the culprits who disfigured the idol remain undetected, that the back of the temple not being provided with doors had not been brought to the Amildar's notice and that as the temple is situated in the old and deserted part of the village and is not generally

frequented by people even in daytime
It should be provided with doors at a
cost of Rs 22/- The amildar with reference
to this office order further reports that the
income of the temple, which has been
(and assessed at Rs 2-8- anda cash
tasdik of Rs 3-9-5 per month, does not
admit of getting a new annamanam
idol for being consecrated and that the
people plead their utter inability to con-
tribute towards the cost of getting a new
idol prepared but that they however say
that they would bear the cost of consecration
and Samprokshanam if government were
to undertake to get a new idol prepared
The amildar is of opinion that the temple
being an ancient one, the present muti-
-lated idol might be replaced by a new
one at government cost. The amildar
adds that he has issued orders to prevent
damage to other idols in the temple.

Kulla no 1099, dated 8th may 1908

2 The file of correspondence is herewith
submitted for the orders of Government Pro-
vision may be made for the repairs of the
doors out of the state funds for the next
Fiscal year. None of the idols enumerated

Government of

dated 25th January 1905 is suited for consecration in the Temple. The cost of making a new idol will be intimated if Government are disposed to sanction the Expenditure from Muzrai Funds.
